

2021/2022 - Covid-19 Action Plan (Return to Snow)

1. All athletes will arrive ready for skiing.
2. All athletes, coaches, members and volunteers participating in sanctioned Alpine Yukon programs must be double vaccinated as per Yukon CMOH requirements.
3. All athletes/participants/volunteers 18 and over engaged in sanctioned alpine skiing program activities are required by the Yukon Public Health Measures to provide proof of vaccination.
4. All athletes/coaches and parents will practice the safe-six Plus 1 guidelines.
5. Face Masks will be used in designated spaces, except while eating and drinking. Face coverings may be used while skiing and training on the mountain.
6. Hand sanitizer will be available, with signage, at the entrance and exit to the clubhouse.
7. Snow Stars will meet outside the clubhouse in the designated area and be picked up outside the clubhouse. Snow Stars will have different pick-up and drop-off times and breaks from U12-U18 skiers.
8. The clubhouse has a carry capacity of 25 depending on other users (patrol, operations etc). Alpine Yukon will limit our persons to 12 in the clubhouse. Priority use of the clubhouse is meant for coaches, masters and board members. If you are not one of these, you need to ask for permission to access and use the clubhouse. On occasion (pending the circumstance) we will permit our programs to intermittently use the clubhouse under the direct supervision of a coach. Please comply with Mt. Sima requests from time-to-time to leave the clubhouse as they are monitoring too and looking out for everyone's safety.
9. ASAY area within the clubhouse is monitored at pick-up, drop-off and during warmups/breaks to ensure physical distancing. If clubhouse is at capacity coaches will direct groups to other shelters or use the main lodge where Mt. Sima Covid plan will be in place.

10. U12 skiers will eat lunch and warm up in timing hut. U16 skiers will use the race hut and Snowstars will use cabin 55. The lodge and upper mountain chalet is also available for warming if deemed necessary.
11. Follow all signage and marked space where athletes can sit and maintain distance.
12. All club-run race events will include Covid plans/directions on the registration form. Covid plan/procedures and posters will be posted on website and in the clubhouse.

Coaches and ASAY Officers

Coach's room will be limited to 4 at a time to enforce distancing. Coaches will maintain physical distance from members and wear masks in designated settings.

Coaches will try to maintain 2 m distance between coaches and athletes when possible. If a coach is required to approach an athlete, they will wear masks and do their best to practice the covid procedures.

Sanitization - entrance door handles will be sanitized at Opening, Midday and Closing. Tables and benches sanitized after use at pick-up, drop-off and breaks

Each training/program day, the coaching staff may conduct a rapid health survey with the athlete/participants.
